

B Smart fabrics offer the perfect blend of fashion and performance.

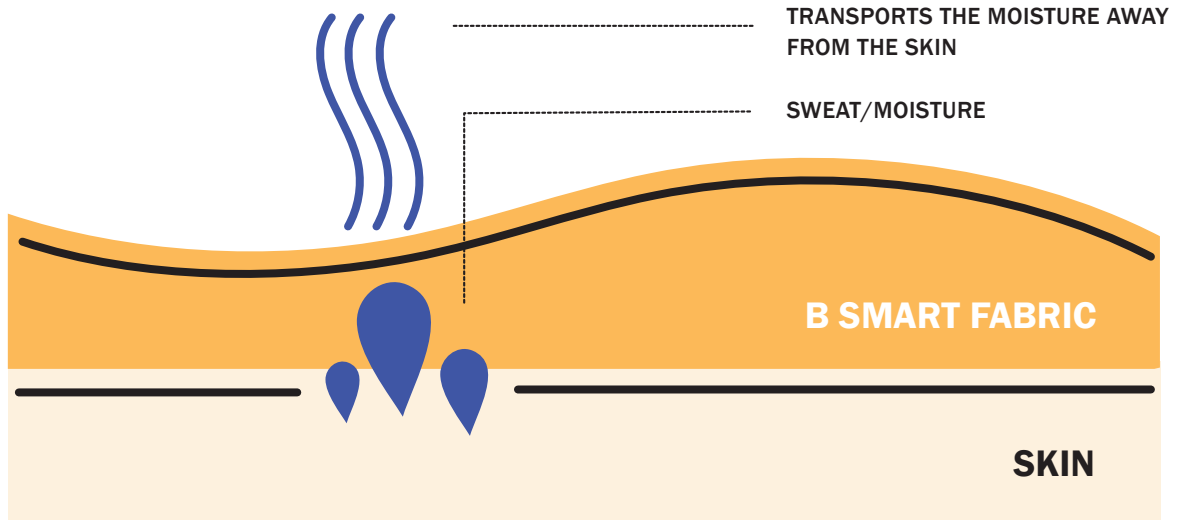

They use new age technology, proprietary finishes and high tech engineering to provide various benefits that enhance the feel, comfort and durability of the fabric. B Smart fabrics are the #1 choice for the smart modern day consumer.

MOISTURE MANAGEMENT

Moisture management is the ability of a fabric to manage the moisture (primarily sweat) by transporting it away from the skin to the garment's outer surface, thus preventing perspiration from remaining next to the skin.

- **COMFORTABLE AND COOL**
- **WICKS MOISTURE AWAY FROM SKIN**
- **DRIES MORE QUICKLY**
- **STAYS SOFT AND BREATHABLE**

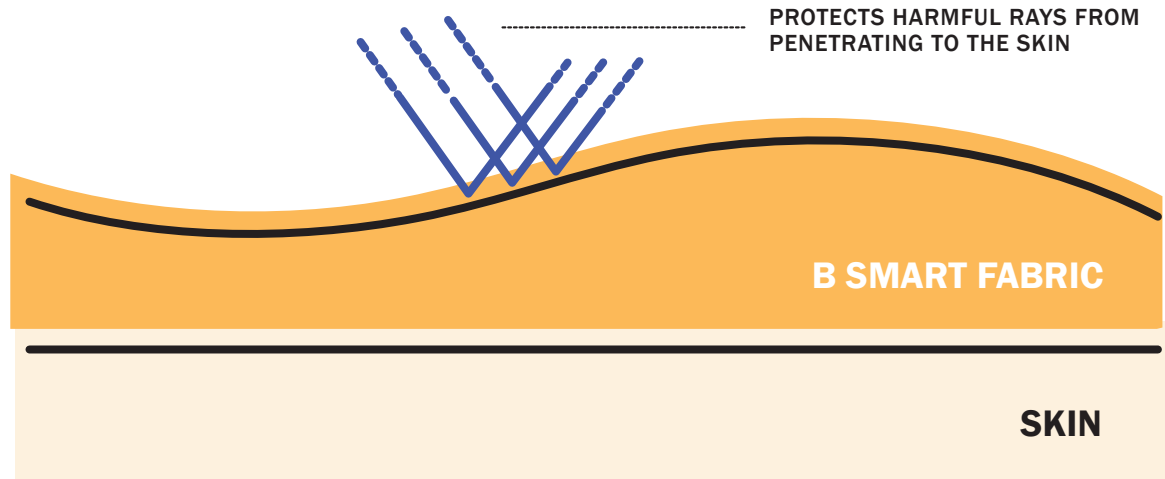

UV PROTECTION

Sunlight is essential for us when absorbed in the right quantity. The ultraviolet rays and solar radiation that penetrate the ozone layer can age our skin cells and cause skin cancer. Products with the B smart UV protection finishes protect the wearer from these harmful rays.

The finish offers an **SPF of 30**.

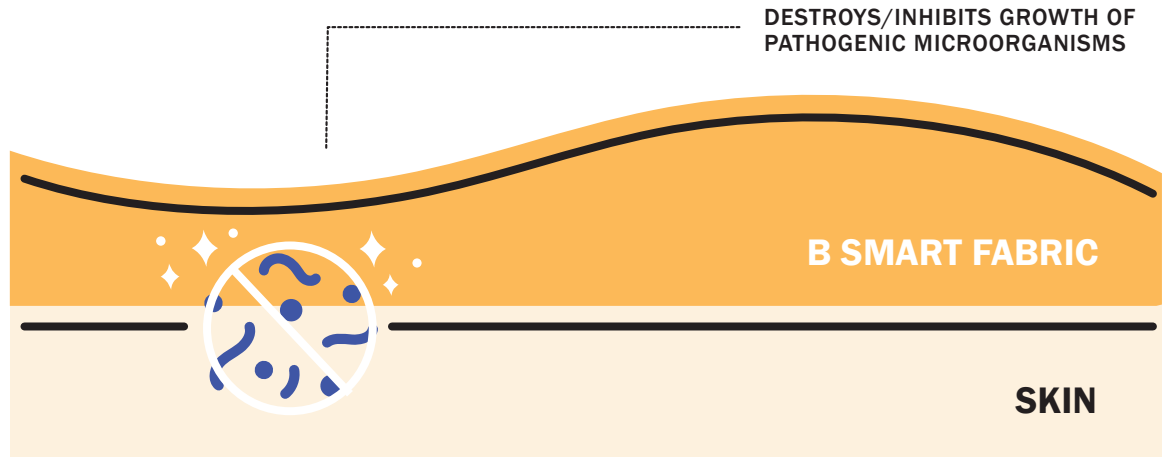

- **SKIN PROTECTION**
- **LONG LASTING PERFORMANCE**
- **COMFORTABLE**
- **SAFE FOR SKIN**

ANTI - MICROBIAL

Bacteria can grow from perspiration or from the environment
Anti-microbial fabrics destroy or inhibit the growth of microorganisms, especially pathogenic microorganisms. These fabrics are forever fresh and clean.

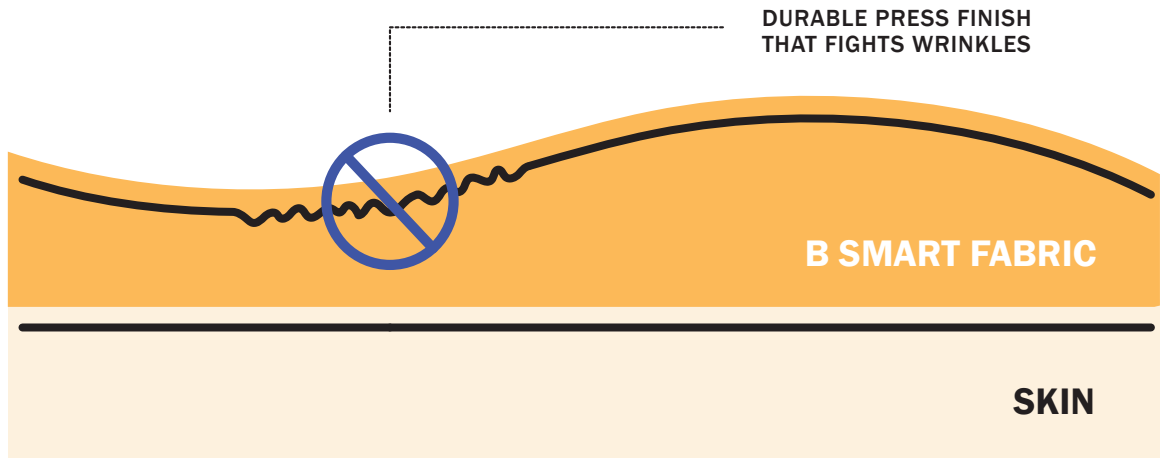

- PROVIDES FRESHNESS
- COMBATS BACTERIA
- LONG LASTING FRESHNESS
- HYGIENIC

WRINKLE RESIST

The B smart wrinkle resist fabrics have a durable press finish that helps garments better retain their shape and appearance after many uses. They are ideal for easy care and travel friendly clothing.

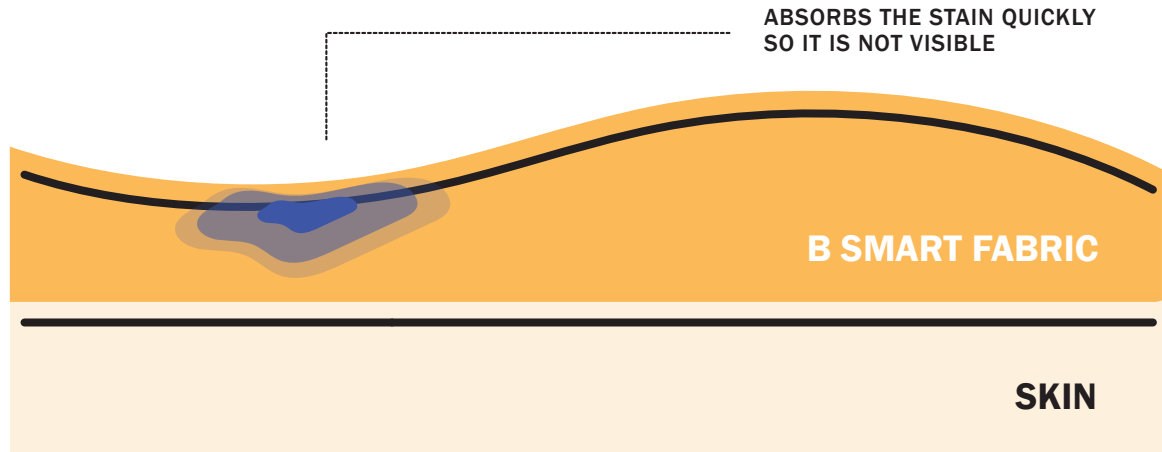

- LONG LASTING PERFORMANCE
- ENHANCED SHAPE RETENTION
- EASY CARE

STAIN / SOIL RELEASE

When one drops a liquids, powder or food substance on our stain / soil release fabrics, the stain is quickly absorbed and spread over a large surface area, reducing its visibility and maintaining the original look and feel of the fabric.

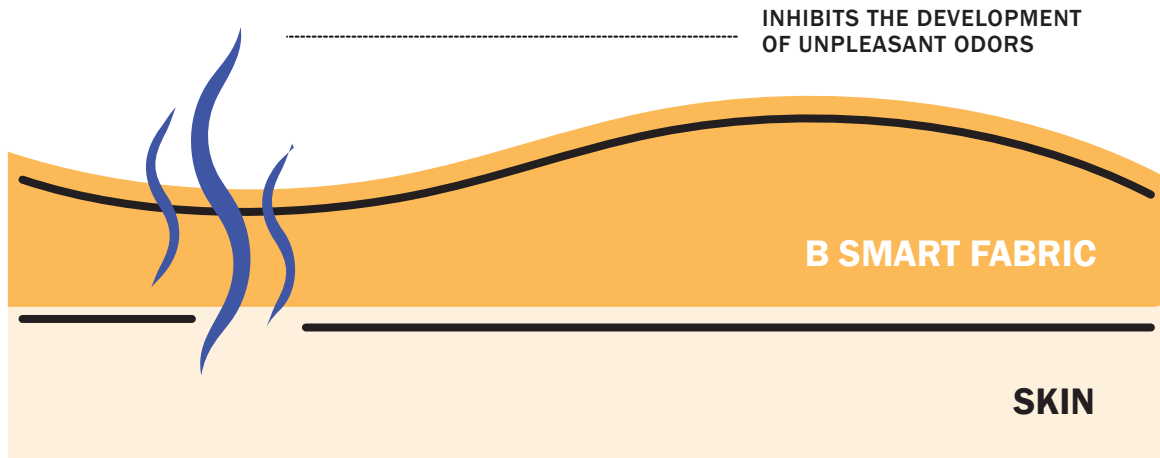

- DYNAMIC DRYING
- WASHES OFF EASILY
- LONG LASTING PERFORMANCE

ODOR CONTROL

The odor control finish works like a built-in deodorant – it inhibits the development of bacteria, thereby reducing lingering unwanted and unpleasant odors. It is extremely breathable and hygienic, and keeps the fabric fresh 24/7.

- LONG LASTING FRESHENING
- HYGIENIC
- NON-LEACHING ANTIBACTERIAL

CATEGORISATION

B Smart offers these finishes in various combinations to add value and offer the consumer what they need based on their dynamic lifestyle and aesthetic value.
